The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200.3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-4554. Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 2nd Floor, Nashville, Tennessee 37243, 1-866-253-5627. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298. The applicant is Colortech, Inc. with a mailing address at 5705 Commerce Boulevard, Morristown, TN 37814. They seek to obtain an air contaminant permit (Division identification number: 32-0316-01 / 968047) for a plastics blending and extrusion operation located at the same address. The company will add six extrusion lines and one product storage silo to the existing facility. This will include conveying lines, blenders, and extruders. There would be physical construction. Regulated air contaminants will be emitted by this source. Baghouse filtering will be used for pollution control. Mr. Thomas Krimov is the assigned Division person.
